## Personal information

|                            |  |
|----------------------------|--|
| First name(s) / Surname(s) | <b>Augusto Ciuffoletti</b>                         |
| Address                    | Via Milano 118, 38122 Trento (Italy)               |
| Telephone(s)               | +39 0461 923772                                    |
| Fax(es)                    | +39 0461 923772                                    |
| E-mail(s)                  | augusto@di.unipi.it, augusto.ciuffoletti@gmail.com |
| Nationality                | Italian  |
| Date of birth              | 20/08/1956   |
| Gender                     | Male   |

## Desired employment / Occupational field

**Applied research in networking technologies**

## Work experience

|                                      |   |
|--------------------------------------|---|
| Dates                                | 1980 - 1981   |
| Occupation or position held          | Research consultant                                 |
| Main activities and responsibilities | Collaboration in a national research project        |
| Name and address of employer         | Selenia<br>83, Via S. Maria, 56100 Pisa (Italy)     |
| Type of business or sector           | Fault tolerance, distributed computing              |
| Dates                                | 1982 - 1982   |
| Occupation or position held          | Scientific consultant                               |
| Name and address of employer         | OtoMelara<br>La Spezia (Italy)                      |
| Type of business or sector           | Fault tolerance, realtime systems                   |
| Dates                                | 1982 - 1983   |
| Occupation or position held          | Scientific consultant                               |
| Main activities and responsibilities | Collaboration in a national research project        |
| Name and address of employer         | Selenia SpA<br>83, Via S. Maria, 56100 Pisa (Italy) |
| Type of business or sector           | Fault tolerance, distributed computing              |
| Dates                                | 2000 - 2009   |
| Occupation or position held          | Research Associate                                  |
| Main activities and responsibilities | Scientific consultant                               |
| Name and address of employer         | INFN-CNAF<br>Via B. Pichat, 40126 Bologna (Italy)   |
| Type of business or sector           | Grid Infrastructure, Network Monitoring             |
| Dates                                | 1987 →  |

|  |  |  |         |                 |                    |    |                   |  |  |  |  |  |
