HOW TO ENROL A NEW STUDENT

- Course set up
  - create a new course
  - enrol students to give them access to its resources/activities
  - add resources/activities
- For the time being, let us consider the case where access is restricted to the students/to other persons involved in the course
- To access a course, a student need:
  - the University of Pisa credentials
  - a password assigned to the course by the teacher
- Open access to guests: will be activated later
HOW TO ENROL A STUDENT
